“**Gary was a valued member of our Board for more than a decade. NBRHC, along with our predecessors the North Bay Civic Hospital & North Bay General Hospital, benefitted from his years of service and dedication to our Health Centre.**”

A message from the NBRHC Board of Directors:

This year our hospital community was saddened by the sudden loss of our friend, colleague and Board Chair, Gary Jodouin.

Gary was a valued member of our Board for more than a decade. NBRHC, along with our predecessors the North Bay Civic Hospital & North Bay General Hospital, benefitted from his years of service and dedication to our Health Centre.

In addition to Board Chair, Gary served as Treasurer, Finance Chair, and Vice Chair and on the Foundation Board since joining in 2011. As Board Chair, Gary was a courageous leader with a commitment to supporting high quality health care.

Gary will be greatly missed.

We would also like to take this time to acknowledge the commitment, passion and hard work of our volunteer Board members. A special thank you to Michael Lowe who provided interim leadership after Gary stepped down.

We are happy to announce that Jamie Graham has been appointed Board Chair, and will be supported by Melanie Ciccone and Michael Lowe as Vice-Chairs.

With the unveiling of our new [strategic plan](#), we have an exciting year ahead.

Together with our partners, we look forward to continuing to evolve while staying focused on our patients, people, communities and their shifting needs.
