

**Are you 16–29  
years old and  
looking to make  
a difference  
in your  
community?**

**Join our  
volunteer team  
this summer!**

## **LEAD Volunteer Program**

LEAD (Learn, Experience, Accomplish & Develop) is a summer volunteer program for youth aged 16–29 that offers a unique opportunity for personal growth and professional development in the healthcare sector.

It combines a volunteer placement with learning opportunities geared toward youth who are interested in healthcare.

As a participant, you will be immersed in the hospital environment, while giving your time to make a positive impact at NBRHC.

**Apply Now!**

*“Overall, the program is a great experience and would definitely recommend it to anyone interested in careers in the healthcare system or just to anyone who wants to see what goes on behind the scene.”*

*– Tanvi, 2022 participant*

"You are provided with the opportunity to acquire insightful information as to the many different pathways within the medical field. Hence, through the diverse range of activities, it's an amazing chance to learn about each route and which may suit your skills or interests."

- Abinaya, 2021 & 2022 participant

"I was already interested in pursuing a career in healthcare, but the program definitely helped me learn more about career opportunities and understand what it's like to work in this field."

- Anonymous, 2021 participant

"I have been able to widen my knowledge of the healthcare system, explore career options and meet some amazing people."

- Owen, 2019 participant

## Apply today to:

- expand your knowledge of the health care sector
- gain an in-depth understanding of our Health Centre
- give back through volunteering
- build connections for the future

## HOW TO PARTICIPATE

To be eligible for the program, applicants must be:

- between 16-29 years of age
- enrolled in school (secondary or post-secondary)
- available to volunteer on a regular basis during the summer

## Apply Now!

Complete and submit a volunteer application package by May 5, 2023.
