

## EXTERNAL VACANCY

### ONE (1) Permanent Full-Time Biomedical Technologist

#### NBRHC – NORTH BAY

Pay rate, benefits and other terms and conditions are as per the OPSEU 662 Collective Agreement

#### POSITION SUMMARY:

Reporting to the *Manager, Clinical Engineering and Capital Projects*, the Biomedical Technologist will provide high quality technical services to the organization. The Biomedical Technologist will provide maintenance support to a wide range of medical equipment and devices such as anesthetic gas machines, dialysis machines, IV pumps, vital sign monitors, incubators and defibrillators. The Biomedical Technologist will work directly with a wide variety of health care professionals (physicians, clinicians, nurses, allied health and support staff), as well as patients. The Biomedical Technologist will also provide technical services to regional programs in the North Bay and surrounding area.

#### Responsibilities:

- Calibrates repairs and maintains medical equipment and devices according to manufacturers' specifications.
- Perform incoming inspections/installation/commissioning of new equipment.
- Coordination of outside contractors, vendors, agencies and other departments.
- Participate in capital equipment planning and projects with trial and evaluation of new equipment.
- Order parts/materials needed to repair/maintain medical devices and equipment.
- Acquires the training and knowledge necessary to repair and service selected new and existing medical equipment.
- Performs preventative maintenance tasks, maintains excellent PM records, and participates in Department and Hospital Quality programs and initiatives.
- Maintains accurate records in the Computerized Maintenance Management System.
- Project work and other duties as assigned.

#### Qualifications:

- Advanced Diploma in Biomedical Engineering Technology from an accredited college.
- 3-5 years of recent medical equipment maintenance experience in a hospital required.
- Applicable experience/training with at least two of the following high priority devices required: anaesthetic gas machines, dialysis machines or ventilators.
- Demonstrated knowledge of anatomy, physiology, electronics, medical instrumentation, troubleshooting, and recognized standards required.
- Demonstrated knowledge of legislative safety requirements, electrical safety code and CSA standards.
- Demonstrated ability to work independently with minimal supervision and ability to provide technology leadership and to support highly complex medical systems and equipment in a hospital.
- Strong organizational skills with the ability to work under pressure and meet deadlines required.
- Excellent interpersonal skills with demonstrated ability to communicate effectively, courteously and tactfully with employees and clients is required.
- CBET Certification is an asset; however, the selected candidate will be expected to obtain CBET certification within 3 years from hiring.
- Working technical knowledge of PCs, servers, networking, and various PC based applications required.

- Good attendance and work record required.
- Must demonstrate commitment to ensure their safety, the safety of fellow workers, patients, volunteers, and visitors
- Must support and contribute to a culture of safety and prevention of adverse health events in this organization
- Bilingualism (English/French) is an asset

Criminal Reference Check including the Vulnerable Sector Check recent within six (3) months is a requirement

**Interested candidates are asked to submit their cover letter and resume to:**

**The posting will remain open until the positions are filled.**

Please note these postings are subject to change without notice. An acknowledgement will be sent only to those candidates who will be interviewed.

## THE ORGANIZATION

North Bay Regional Health Centre (NBRHC) is a unique health care organization with three primary roles: providing acute care services to North Bay and its surrounding communities, functioning as the district referral centre providing specialist services for smaller communities in the area, and it's the specialized mental health service provider serving all of northeast Ontario. At more than 400 beds, our state-of-the-art regional health centre has over 150 physicians, 2300 employees and 250 volunteers.

For more information about the NBRHC, visit [www.nbrhc.on.ca](http://www.nbrhc.on.ca)

## THE COMMUNITY

North Bay is located 3.5 hours north of Toronto, just north of the district of Muskoka, and 3.5 hours west of Ottawa. With a population of 54,000 and a catchment area of 180,000, it is a safe and welcoming community that offers a healthy and balanced environment for working, living and raising a family. North Bay is situated on the shores of two large lakes (Lake Nipissing and Trout Lake) and boasts beautiful scenery and four distinct seasons. Whatever your interests are, you will have access to numerous activities and amenities within minutes from your home—reclaim your work-life balance and join us!

To see more of beautiful North Bay and learn about our lifestyle, visit [www.northbay.ca](http://www.northbay.ca)

---

***NBRHC is committed to achieving 100% compliance with its COVID-19 Vaccine Policy. As a result, please be advised that in order to be eligible for employment at the Health Centre, all new hires must be compliant with our COVID-19 Vaccination Policy and must be fully vaccinated prior to commencing employment. To be considered fully vaccinated, an individual must have received the full series of a COVID-19 vaccine or a combination of COVID-19 vaccines approved by the World Health Organization (e.g. two doses of a two-dose vaccine series or one dose of a single-dose vaccine series) and received the final dose of the COVID-19 vaccine at least 14 days ago.***

***The requirement that successful applicants be fully vaccinated is subject to any accommodation obligations pursuant to the Ontario Human Rights Code.***

*North Bay Regional Health Centre is committed to providing accessible employment practices that are in compliance with the Accessibility for Ontarians with Disabilities Act (AODA). If you require an accommodation for disability during any stage of the recruitment process, please indicate this in your application.*

**We are an equal opportunity employer. We thank all applicants for their interest.**
