THE ORGANIZATION

North Bay Regional Health Centre (NBRHC) is a unique health care organization with three primary roles: providing acute care services to North Bay and its surrounding communities, functioning as the district referral centre providing specialist services for smaller communities in the area, and it's the specialized mental health service provider serving all of northeast Ontario. At more than 400 beds, our state-of-the-art regional health centre has over 150 physicians, 2300 employees and 250 volunteers.

North Bay Regional Health Centre is committed to providing accessible employment practices that are in compliance with the Accessibility for Ontarians with Disabilities Act (AODA). If you require an accommodation for disability during any stage of the recruitment process, please indicate this in your application.
