NBRHC is committed to achieving 100% compliance with its COVID-19 Vaccine Policy. As a result, please be advised that in order to be eligible for employment at the Health Centre, all new hires must be compliant with our COVID-19 Vaccination Policy and must be fully vaccinated prior to commencing employment. To be considered fully vaccinated, an individual must have received the full series of a COVID-19 vaccine or a combination of COVID-19 vaccines approved by the World Health Organization (e.g. two doses of a two-dose vaccine series or one dose of a single-dose vaccine series) and received the final dose of the COVID-19 vaccine at least 14 days ago.

The requirement that successful applicants be fully vaccinated is subject to any accommodation obligations pursuant to the Ontario Human Rights Code.

North Bay Regional Health Centre is committed to providing accessible employment practices that are in compliance with the Accessibility for Ontarians with Disabilities Act (AODA). If you require an accommodation for disability during any stage of the recruitment process, please indicate this in your application.

We are an equal opportunity employer. We thank all applicants for their interest.

THE ORGANIZATION

North Bay Regional Health Centre (NBRHC) is a unique health care organization with three primary roles: providing acute care services to North Bay and its surrounding communities, functioning as the district referral centre providing specialist services for smaller communities in the area, and it's the specialized mental health service provider serving all of northeast Ontario. At more than 400 beds, our state-of-the-art regional health centre has over 150 physicians, 2300 employees and 250 volunteers.
